Abrams Fensterman, LLP is pleased to congratulate [Jordan Fensterman](#) on being named Co-President of the Roslyn Landmark Society, a nonprofit organization dedicated to preserving the history and character of the Village of Roslyn.

Jordan's involvement with the organization began shortly after moving to Roslyn in 2016, when he discovered the Society while exploring the village's historic downtown. Over the years, he has served as a volunteer, trustee, and vice president before stepping into his new leadership role.

As Co-President, Jordan will help guide the Society's ongoing preservation efforts, including the restoration of the historic Roslyn Grist Mill, while working to increase community engagement and involvement from future generations.

"I kind of fell in love with the downtown area and the historic look that it already had. The buildings, the roof lines, the sight lines, the pond, the park, the library — it just felt unique. It felt special."

— Jordan Fensterman

Jordan's appointment reflects his longstanding commitment to the Roslyn community and his passion for preserving the history and character that make the village a special place to live and work.
