Carolyn Reinach Wolf

Executive Partner, Emeritus

Executive Partner and Director of the firm's Mental Health Law Practice, [Carolyn Reinach Wolf](#) was featured as a panelist at a CUNY Forum titled "New York's Mental Health Dilemma: Costs & Consequences." The event tackled critical issues surrounding mental health policy in New York.

The forum was organized by the Edward T. Rogowsky Internship Program in Government & Public Affairs in conjunction with CUNY TV and moderated by Bob Liff. It served as an essential platform for exchanging ideas and perspectives on mental health policy. The *CUNY Forum* not only supplements the learning students do in the classroom alongside their internships, but it also serves to highlight important public policy and government related issues to a broader audience throughout CUNY via CUNY TV.
