What happens when a government investigation threatens your medical license, practice, and reputation?

In this video, [Abrams Fensterman's Jordan Fensterman](#) and [Alyssa Friedman](#) discuss how our [Health Fraud Defense Group](#) & [Professional License Defense](#) Departments work collaboratively to provide a strategic, multi-faceted approach for healthcare providers facing subpoenas, OPMC/OPD investigations, and fraud allegations—ensuring the strongest possible defense.

With recognition as a [Tier 1 Best Law Firm® in Health Care Law](#), Abrams Fensterman is dedicated to safeguarding the careers and reputations of healthcare providers when it matters most.

Strategic Defense for Healthcare Providers Under Scrutiny

Abrams Fensterman's healthcare fraud defense team represents providers facing investigations and prosecutions under the False Claims Act, Anti-Kickback Statute, Stark Law, and related federal and state laws. The firm has defended physicians, nursing homes, ambulatory surgery centers, diagnostic and treatment centers, home care companies, and management service organizations in complex fraud, abuse, compliance, and regulatory enforcement matters.

Our attorneys handle matters involving alleged fraudulent billing, kickbacks, medically unnecessary services, Stark violations, patient care concerns, audits, subpoenas, and investigations by agencies including the DOJ, HHS-OIG, OMIG, MFCU, NYS DOH, and the Justice Center.
