Quick Insights: [OPMC FAQs](#)

- **What triggers an OPMC investigation?** Any complaint, even anonymous ones, mandates an OPMC investigation. Whether it's a disgruntled patient or a competitor, OPMC is legally bound to investigate.

- **What about patient confidentiality during investigations?** While patient confidentiality is paramount, OPMC investigations are exceptions. The law authorizes OPMC investigators to examine and obtain patient records without a patient's consent.
- **Can I decline an OPMC interview?** While physicians aren't obligated to attend OPMC interviews, being adequately prepared for one can be pivotal. It's a decision made easier with expert counsel.
- **Will my malpractice insurance cover legal expenses during an OPMC investigation?** It's possible. Your malpractice insurance might cover some or all of your legal fees during the OPMC investigation. The coverage largely depends on your policy's specifics and the nature of the allegations.
